

Dementia Care

Permanent residence for people with Dementia in a
homely atmosphere where everyone feels safe, cared for and loved.
We serve our residents by living our values of love, empathy, respect,
humility, dignity, honesty, professionalism, integrity, and excellence.

WELCOME TO BRIGADOON GROUP
DURBANVILLE | BETTY'S BAY

Each person in our care
experiences a quality of life
that has meaning and joy.

OUR GOALS

We believe that the key to quality living for people with Dementia is creating homely, safe and supportive environments to live in. We aim to help residents remain active and give them a sense of purpose. We work in partnership with our residents to enhance their quality of life. We provide support to family and friends of residents through our Memory Café support groups and social events.

OUR VALUES

The physical, spiritual and emotional well-being of our residents form the core of our business. That residents have meaningful relationships with family, friends, peers, pets and caregivers. Each person is accepted and understood as an individual and treated with love and respect. The resident is involved in life and has hope because his/her future is valued and supported.

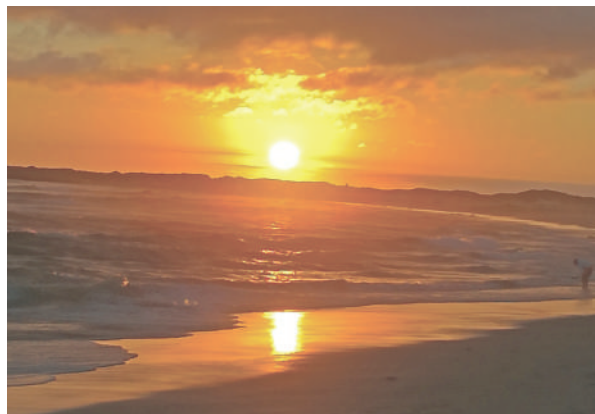

BRIGADOON VILLAGE BETTY'S BAY

South Africa's first Dementia Reminiscence Village... in Betty's Bay!

Situated in the coastal town of Betty's Bay, this 2 ha seafront estate is a sensory haven, filled with abundant bird-life, fynbos, uninterrupted ocean views and tranquillity. An added bonus is the secluded beach which is within walking distance from the apartments. Residents can also visit and enjoy the penguin sanctuary, which is a short stroll from Brigadoon Village.
