## Fiddler's Green

*Words and music John Connolly*

As I rowed by the dockside one evening so fair  
To view the salt waters and take in the salt air  
I heard an old fisherman singing a song  
Oh, take me away boys me time is not long

Wrap me up in me oilskin and blankets  
No more on the docks I'll be seen  
Just tell me old shipmates, I'm taking a trip mates  
And I'll see you someday on **Fiddlers Green**

Now **Fiddler's Green** is a place I've heard tell  
Where the fishermen go if they don't go to hell  
Where the weather is fair and the dolphins do play  
And the cold coast of Greenland is far, far away
